TO CALL PRIMARY

Democratic Leaders Will Meet To-Night to Select Date, Which Will Be in April.

The City Democratic Committee will

meet to-night at 8 o'clock at Murphy's

Hotel to determine the date of the spring primary for the nomination of municipal officers in the June election. The primary is usually held about fifty days before the election, which in this case falls on June 9, and the committee is expected to name a date in April. If the primary is to be called for the last part of April the candidates for Mayor and City Council will have to file their notice of candidacy within a few days. For the first time the municipal election will be held under the Byrd primary law, which requires that candidates in the primary file notice of their candidacy with the party committee at least sixty days before the day of the primary. Therefore candidates for city offices may be pre-

pared to declare themselves before the end of this week.

Up to the present time no candidate missioner Williams yesterday to make his formal application for the position. He has strong support.

Friends of City Bacteriologist Aubrey H. Straus, of Richmond, have presented his name to Commissioner Williams as a well qualified laboratory worker, who is worthy of consideration in the contest. Mr. Straus is at present in Detroit on leave of absence engaged in special bacteriological work.

State Bacteriologist Ferguson, who has occupied the position since the reorganization of the State Health Department six years ago, has resigned to become the editor-in-chief of the Southern Planter and consulting bacteriologist for a New York biological laboratory.
